Four Great Moments of Rock

By **Jeff Labrecque**
 When it comes to rock music, there are four moments that define the genre: the birth, the death, the resurrection, and the rebirth.

1. The Birth (1955-1959)
 The first moment of rock music was its birth in the mid-1950s. It was a fusion of rhythm and blues, country, and gospel music.

2. The Death (1960-1964)
 The second moment of rock music was its death in the early 1960s. It was a period of self-doubt and uncertainty.

3. The Resurrection (1965-1969)
 The third moment of rock music was its resurrection in the mid-1960s. It was a period of renewed energy and creativity.

4. The Rebirth (1970-1974)
 The fourth moment of rock music was its rebirth in the early 1970s. It was a period of new energy and innovation.
